# I wasn't naïve

by [MiaQc](#)

## Summary

One-sentence fiction.

Manon suspected that Vincent didn't really love her.

- A translation of [Je n'étais pas naïve](#) by [MiaQc](#)

I wasn't naive, I suspected that Vincent didn't really love me, but for Rody to be freed from me, I'd have to be with another man, any other man, even the one who was going to end my life.
